

# DON JERRARD

Your Justice & Anti-Corruption Candidate for Bramshott & Liphook Parish Council

Website [www.easthantsexposed.org.uk](http://www.easthantsexposed.org.uk)

## Who am I?

- I am a retired solicitor who came to live in Greatham close to Liphook in 1988, with my wife and two young sons.
- I was born and bred in Hampshire but worked in London where I was a senior partner with an international law firm. I retired in 2004.
- Since my family came to live here we have used the trains, doctors, shops and recreational facilities in Liphook virtually every day. My sons first went to school, and both had their first jobs in Liphook.

## Why am I standing in this election?

- Because the Parish Council has not been vigorously opposing planning applications at the Royal Anchor, the Silent Garden, Old Thorns and Bohunt Manor.
- The Parish Council did not send a representative to the site meeting for 51 holiday apartments at Old Thorns, and did not speak at the Planning Committee meeting.
- Initially the Chairman (Cllr Newman) and the Planning Chairman (Cllr Anna James) did not vote against the Gospel Hall development at Bohunt Manor. Why is a District Council Planning Committee member the Parish Planning Chairman in the first place?
- Large payments of your money have been made to the Parish Clerk following his claims of bullying, and then on solicitors instructed by the Council. The solicitors' advice was not even shown to all the Councillors. But it was seen by Cllr Mrs James who voted for the payments, even though the Clerk is her second cousin.

## What will I do if I am elected?

I will make sure that

- ✓ Meetings of the Council are transparent and democratic with no more deals behind closed doors.
- ✓ The views of Liphook residents will be properly considered and presented when planning applications go to the District Council or National Park Planning Committee.
- ✓ There is a proper internal and free enquiry conducted by the Parish Council about the well-documented problems concerning its operation, and that the results of this enquiry are made public, and the problems dealt with.
- ✓ There will be no more unjustified payments of your money to solicitors and employees of the Council, and any payments which should not have been made will be returned.
